Do your own research.

The long fight to 'regulation'.

- Scientific concern → Industry Pushback → Regulation?

- **Tobacco/Cigarettes**

Dr. Ernst Wynder - 1950 → 1990s smoking bans

- **DDT**

Rachel Carson - 1962 → 1972 EPA Ban

- **BPA**

NTP 1982 → 2010 Federal & State Bans

Don't hold your breath.

A Frank Statement to Cigarette Smokers

RECENT REPORTS on experiments with mice have given wide publicity to a theory that cigarette smoking is in some way

For more than 300 years tobacco has given solace, relaxation, and enjoyment to mankind. At one time or another during

No signs of stopping.

- G7 Leaders launch PGII (Partnership for Global Infra) dedicating \$600B by 2027
- Global telecommunications spending 1.5T+/yr
- EU Gigabit Infrastructure Act aims for gigabit connectivity for all by 2030, removes red tape
- LEO satellites forecasted to hit 30K by 2030
- FCC spectrum auctions 2020 - 2022 raise billions
- Improvements in AI may lead to more smart devices

Bioeffects from RF

bioinitiative.org

- **Bioinitiative Report, 2007 - 2020** - over 3,800 scientific articles and peer reviewed studies on bioeffects from various EMR - **Color Charts**
- Variables: Frequency, distance, power, length of exposure
- **Effects:** Sperm - Lowered motility, T, increased DNA fragmentation, death
- Fatigue, depression, sleeping disorders, concentration
- DNA damage, fragmentation, cell death, impaired DNA repair
- Increase in cancer for children, decreased survival
- **And many more...**

Individual Solutions

stopdirtyelectricity.org

Turn It Off

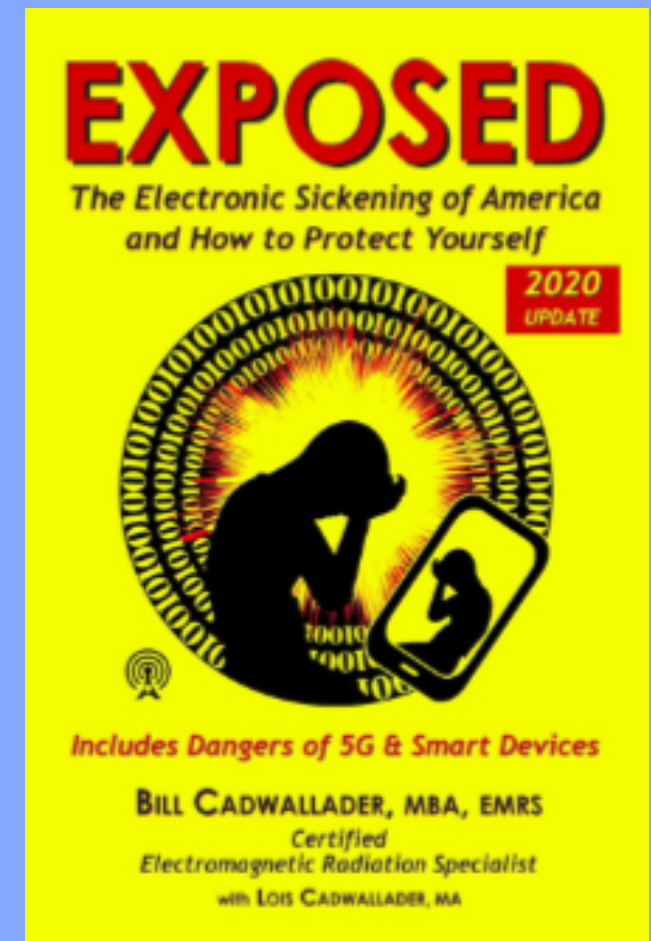

- Turn devices off, use power strips
- Turn phones & routers off at night

Distance

- Move charging devices out of bedrooms
- Move living/resting zones away from walls with outlets & wiring

Wired → Wireless

- 2 long ethernet cords, and ethernet adapters as needed
- Put devices on airplane mode while on ethernet

Advanced Solutions

slt.co - Safe Living Technologies

Measure It

- measure both dirty electricity & RF in all areas

Treatments

- Test against baseline in all areas
- Temporary treatment before permanent
- Shielding fabric / bed canopies
- Dirty electricity filters

Expert Consultations

- Building Biology Institute Certified EMRS
- 90% decrease in the 4 types of EMR

Healing & Harmonizing EMFs

Rife Machines

- generated an EM field at high frequencies passed through an ray tube
- "Mortal Oscillatory Rate" devitalizes target microorganisms

PEMFS

- use ELF in a closed loop at specific pulse rates
- electromagnetic field energizes the cellular level

Biogeometry

- certain shapes and geometries can harmonize
- Was able to eliminate electro-sensitivity in Hemberg, Switzerland
