

Better Way Detox Fair Exhibitor Pack

- WELLBEING
- LIVE MUSIC
- DETOX
- NUTRITION
- FOOD

Wiltshire 14-15 June 2024

Welcome to the Better Way Detox Fair!

Embark on a journey to holistic well-being at the first of its kind in the UK – the Better Way Detox Fair. Bringing together a blend of allopathic and holistic practitioners, this unique event promises a fusion of traditional and alternative approaches to health.

Enjoy enlightening discussions and gain insights from panel discussions of leading health experts as they share detox protocols and address your questions, guiding you towards optimal well-being through natural means.

Learn how to detox from heavy metals, which are often found in vaccines and other medical interventions, understand more about parasites and cancer, and find out how to take a digital detox. Network with like-minded individuals and exhibitors on a beautiful 220 acre organic Cotswold stone barn farm setting in Wiltshire.

This fair will empower and educate you to take action to optimise your health, boost your immune system and improve your wellbeing.

**Join us at the Better Way Detox Fair and embark on a journey towards holistic wellness.
Experience the Better Way.**

See you there!

Testimonials from The Better Way Conference

“ We learned so much from listening to the incredible panels of global doctors and health care professionals who flew to the UK to participate in the first ever Better Way Conference in Bath in 2022 that we did not want to miss the fantastic opportunity to attend the 2nd conference in 2023.

Knowing the calibre of the attendees, and the depth of conversations we had on a wide variety of health topics, we decided to take a stand in Bath and share our innovative integrative health care concept with the doctors and health care professionals. Having received their positive views on bioresonance and general encouragement about the need for our new well-being venture, we launched BioReNu.Health in late summer 2023.

BioReNu will definitely be exhibiting at Better Way Detox in June 2024 as we are looking to expand our centres and what better place to connect with like-minded holistic and allopathic professionals who focus on the causative factors of pain and dis-ease.

Helen Stevens, BioReNu

“ My team and I had a fantastic time exhibiting at the Better Way Conference '23. There was a great deal of interest in our EMF protection products from delegates, speakers and other exhibitors, and we made a lot of valuable connections there. The event was run beautifully by the WCH team and the whole experience was 5-star!

Glynn Hughes, EMF Protection

“ We were delighted to exhibit at last year's Better Way Conference, a World Council for Health Event. We thoroughly enjoyed introducing our supplements and healing machines to the lovely attendees. Our supplement stand did incredibly well and we are very happy to be exhibiting again at future events.

Clive de Carle
